LITTLE BOY KILLED BY

ACCIDENTAL GUN SHOT Scotland Neck, Jan. 17 .-As a result of playing with a loaded shot gun little Robert Haislip, eight years of age, is dead at the hands of his brother, William, aged ten years. The two boys found the gun in a room, and the weapon was accidentally discharged, the entire load taking effect in the neck of the other boy, killing him instantly.

The accident occurred while the boys were dressing. The mother did not hear the shot which killed her son, a boarder rushing to the scene. The boys are the sons of Mr. and Mrs. W. J. Haislip.
